2 Minute Remover Advanced Aerosol

2 Minute Remover Advanced Aerosol is designed to remove multiple layers of finish in one application. This Methylene Chloride Free Formula clings to vertical surfaces to make paint removal easy. It quickly attacks the finish and lightens wood stain but will not harm wood or corrode metal. Use on wood, metal, masonry, marine and automotive finishes removing latex and oil-based paint, lacquer, shellac, varnish, epoxy and polyurethane finishes.

2 Minute Remover Advanced

Detailing Liquid Paint & Varnish Remover
